INFORMATION DISCLOSURE STATEMENT

Sir:

Applicant hereby submits an Information Disclosure Statement (IDS) under 37 C.F.R. §1.97(b)(3) before the mailing of a first Office action on the merits. No fee is believed payable in respect of this IDS. However, if any fee should be found payable, please charge such fee to Deposit Account No. 08-0750.

In accordance with 37 C.F.R. §1.97(g) and (h), this submission shall not be construed as representation that a search has been made or as admission that information presented or cited herein is, or is considered to be, material to patentability as defined in 37 C.F.R. §1.56(b).

In accordance with 37 C.F.R. §1.98, Applicant submits herewith a listing on Form PTO-1449 of documents requested to be considered by the Examiner.

In compliance with 37 C.F.R. §1.98(a)(3), Applicant provides the following statements of relevance, as presently understood by the individual designated in 37 C.F.R. §1.56(c) most knowledgeable of the contents, of those documents listed on attached Form PTO-1449 (a) which are not in the English language and (b) full English language translations of which are not in Applicant's possession. Where a full or partial English language translation of a non-English language document is available to Applicant, a copy of such translation is included in the present submission. No representation is made as to accuracy of the translation or, in the case of partial translations, that all pertinent parts of a document have been translated.

WO 03/012137. This publication appears to relate to methods for diagnosis or prognosis of Parkinson's disease. The document has an English language abstract on page 1.

Michel *et al.* (2002). This publication appears to relate to mechanisms of cell death in Parkinson's disease. The document has an English language summary on page 1.

The following publications are submitted as English language counterparts of foreign language publications already of record in the present application. To the best of Applicant's belief, the English language publication listed below contains substantively similar disclosure to their foreign language counterpart.
